(CONTINUED)

Except as provided herein, all terms and conditions of the document referenced in Item 9A or 10A, as heretofore changed, remains unchanged and in full force and effect.

15A. NAME AND TITLE OF SIGNER (Type or print)		16A. NAME AND TITLE OF CONTRACTING OFFICER (Type or print) Marcus A. Johnson, Jr. Regional Contracting Officer	
15B. CONTRACTOR/OFFEROR (Signature of person authorized to sign)	15C. DATE SIGNED	16B. UNITED STATES OF AMERICA BY  (Signature of Contracting Officer)	16C. DATE SIGNED 13 SEP 2005

Specific Questions and Responses are as follows:

Question 1: When is an award expected?

Response 1: We expect to award the contract on/about September 30, 2005.

Question 2: We need to verify the site dimensions for this project. The 1st request is for the medium sized structure which indicates an area 40 x 60. There is much more equipment being requested than can fit in this area.

Response 2: To clarify- what is stated in the table is the minimum square footage available that may be covered by rubber mulch purchased separately by USAID in Sri Lanka. Feel free to propose the appropriate dimensions for your offer (the same or more than what is stated in table).

Question 3: D6 - Composite Add On Features/Standalone Features - I recognize the Manufactures name for the different components listed, we have different names for ours but they would have the same type of play value, is this acceptable?

Response 3: Yes. I regret any reference to brand names in general and you should not perceive it as an endorsement of the product per se but rather the technical standard it exhibits.

Question 4: On page D1 - I would just like to verify the numbers of playgrounds for the age groups. Is it 4 for 5-12 year old and 7 for the 0-5 year olds?

Response 4: Where on page D-1 its states only a minimum number of playground equipment at each size must be for 0-5 year olds. The balance can be for the older 5-12 group. (All parks should have playground equipment for both age groups).

Additionally, the chart on page D-1 of Annex One is amended in its square footage. Changes are in blue. This chart replaces the original chart on page D-1.

Type of Park	Total Number of Parks	Total Area of Park (Square Feet)	Dimensions (Square Feet)	Number Needed on Dec. 1, 2005
Small	50	1792	32 X 56	3
Medium	20	2800	40 X 70	3
Large	11	4032	56 X 72	4
Signature	4	6400	80 X 80	2

Please remember the USAID response to question 2 above when digesting this chart.

Lastly, the page entitled “Section E – Solicitation Provisions” should be page number E-1. All subsequent pages should be in the “E” series. The last page of the document is page number E-10.
